

PackFlash Software License Agreement

END USER LICENSE AGREEMENT (EULA)

This is a agreement between licensor (PackFlash) and Licensee, you (either an individual or a single entity), who is being licensed to use the DNN modules, which covers the use of PackFlash software and related components identified in your receipt. All such software is referred to herein as the "Software Product." A software license issued to a designated user only by PackFlash or its authorized agents is required for each user of the Software Product. If you do not agree to the terms of this EULA, then do not install or use the Software Product. By explicitly accepting this End-User License Agreement (EULA) you are acknowledging and agreeing to be bound by the following terms:

1. GRANT OF NON-EXCLUSIVE LICENSE

Evaluation copies may only be used to determine suitability

PackFlash grants you a non-exclusive, non-transferable right to use the Software Product on your DotNetNuke(DNN) website based on your purchase. One Production License is required to install and use the Software Product on each DotNetNuke website. A DNN website is defined as a single top level domain, such as "company.com", "company.net", or "finance.company.com".

With a Standard License of Software Product, an additional Production License is required for each extra DNN website.

An Enterprise license entitles Licensee to install Software Product on an unlimited number of DNN websites that the Licensee owns and operates. Ownership of a domain name is not sufficient to confer "website ownership" for this purpose. The licensee must be the active and controlling entity that operates the website. Re-distribution is not permitted with this license.

A Developer license entitles the licensee to re-distribute the Software Product to a specified number (according to the sales invoice) of clients of the licensee who have engaged the licensee to develop or deploy a website on the client's behalf. With a Developer license, the licensee is responsible for providing support for the Software Product to said clients. PackFlash will provide support directly to the licensee.

When the source code is provided with the Software Product, PackFlash grants you the right to modify, alter, improve, or enhance the Software Product without limitation for you own use, except as described in this EULA.

Although rights to modification of the Software Product are granted by this EULA, you may not tamper with, alter, or use the Software Product in a way that disables, circumvents, or otherwise defeats its built-in licensing verification and enforcement capabilities. The right to modification of the Software Product also does not include the

right to remove or alter any trademark, logo, copyright or other proprietary notice, legend, symbol or label in the Software Product.

Any modifications made to the Software Product will render it non-supportable by PackFlash. You are not allowed to distribute or redistribute changes made to the Software Product to anyone other than groups designated by the agreement between PackFlash and the user.

Although the source code for the Software Product may be included in some editions, you may not share, use, or reuse the knowledge or technologies in other applications without explicit approval from PackFlash.

You may make copies of the Software Product as is reasonably necessary for its use. Each copy must reproduce all copyright and other proprietary rights notices on or in the Software Product.

Each copy must reproduce all copyright and other proprietary rights notices on or in the Software Product License. You may not modify or create derivative copies of the Software Product License.

All rights not expressly granted to you are retained by PackFlash.

2. INTELLECTUAL PROPERTY RIGHTS RESERVED BY PackFlash.

The Software Product is owned by PackFlash and is protected by United States and international copyright laws and treaties, as well as other intellectual property laws and treaties. You must not remove or alter any copyright notices on any copies of the Software Product including but not limited to source code as well as the display of the module on your website. This Software Product copy is licensed, not sold. You may not use, copy, or distribute the Software Product, except as granted by this EULA, without written authorization from PackFlash or its designated agents. Furthermore, this EULA does not grant you any rights in connection with any trademarks or service marks of PackFlash. PackFlash reserves all intellectual property rights, including copyrights, and trademark rights.

3. NO RIGHT TO TRANSFER

You may not rent, lease, lend, or in any way distribute or transfer any rights in this EULA or the Software Product to third parties without PackFlash's written approval, and subject to written agreement by the recipient of the terms of this EULA.

4. INDEMNIFICATION

You hereby agree to indemnify PackFlash against and hold harmless PackFlash from any claims, lawsuits or other losses that arise out of your breach of any provision of this EULA.

5. THIRD PARTY RIGHTS

Any software provided along with the Software Product that is associated with a separate license agreement is licensed to you under the terms of that license agreement. This license does not apply to those portions of the Software Product. Copies of these third party licenses are included in all copies of the Software Product.

6. SUPPORT SERVICES

PackFlash may provide you with support services related to the Software Product. Use of any such support services is governed by PackFlash policies and programs described in online documentation and/or other PackFlash provided materials.

As part of these support services, PackFlash may make available bug lists, planned feature lists, and other supplemental informational materials. PackFlash **MAKES NO WARRANTY OF ANY KIND FOR THESE MATERIALS AND ASSUMES NO LIABILITY WHATSOEVER FOR DAMAGES RESULTING FROM ANY USE OF THESE MATERIALS. FURTHERMORE, YOU MAY NOT USE ANY MATERIALS PROVIDED IN THIS WAY TO SUPPORT ANY CLAIM MADE AGAINST PackFlash.**

Any supplemental software code or related materials that PackFlash provides to you as part of the support services, in periodic updates to the Software Product or otherwise, is to be considered part of the Software Product and is subject to the terms and conditions of this EULA.

With respect to any technical information you provide to PackFlash as part of the support services, PackFlash may use such information for its business purposes without restriction, including product support and development. PackFlash will not use such technical information in a form that personally identifies you without first obtaining your permission.

7. TERMINATION WITHOUT PREJUDICE TO ANY OTHER RIGHTS

PackFlash may terminate this EULA if you fail to comply with any term or condition of this EULA.

In such event, you must destroy all copies of the Software Product and Software Product Licenses.

8. NO WARRANTIES

YOU ACCEPT THE SOFTWARE PRODUCT AND SOFTWARE PRODUCT LICENSE "AS IS," AND PackFlash AND ITS THIRD PARTY SUPPLIERS AND LICENSORS MAKE NO WARRANTY AS TO ITS USE, PERFORMANCE, OR

OTHERWISE. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, PackFlash AND ITS THIRD PARTY SUPPLIERS AND LICENSORS DISCLAIM ALL OTHER REPRESENTATIONS, WARRANTIES, AND CONDITIONS, EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT. THE ENTIRE RISK ARISING OUT OF USE OR PERFORMANCE OF THE SOFTWARE PRODUCT REMAINS WITH YOU.

9. LIMITATION OF LIABILITY

THIS LIMITATION OF LIABILITY IS TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW. IN NO EVENT SHALL PackFlash OR ITS THIRD PARTY SUPPLIERS AND LICENSORS BE LIABLE FOR ANY COSTS OF SUBSTITUTE PRODUCTS OR SERVICES, OR FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, OR LOSS OF BUSINESS INFORMATION) ARISING OUT OF THIS EULA OR THE USE OF OR INABILITY TO USE THE SOFTWARE PRODUCT OR THE FAILURE TO PROVIDE SUPPORT SERVICES, EVEN IF PackFlash HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN ANY CASE, PackFlash's, AND ITS THIRD PARTY SUPPLIERS' AND LICENSORS', ENTIRE LIABILITY ARISING OUT OF THIS EULA SHALL BE LIMITED TO THE LESSER OF THE AMOUNT ACTUALLY PAID BY YOU FOR THE SOFTWARE PRODUCT OR THE PRODUCT LIST PRICE; PROVIDED, HOWEVER, THAT IF YOU HAVE ENTERED INTO A PackFlash SUPPORT SERVICES AGREEMENT, PackFlash's ENTIRE LIABILITY REGARDING SUPPORT SERVICES SHALL BE GOVERNED BY THE TERMS OF THAT AGREEMENT.

10. HIGH RISK ACTIVITIES

The Software Product is not fault-tolerant and is not designed, manufactured or intended for use or resale as on-line control equipment in hazardous environments requiring fail-safe performance, such as in the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, direct life support machines, or weapons systems, in which the failure of the Software Product, or any software, tool, process, or service that was developed using the Software Product, could lead directly to death, personal injury, or severe physical or environmental damage ("High Risk Activities"). Accordingly, PackFlash and its suppliers and licensors specifically disclaim any express or implied warranty of fitness for High Risk Activities. You agree that PackFlash and its suppliers and licensors will not be liable for any claims or damages arising from the use of the Software Product, or any software, tool, process, or service that was developed using the Software Product, in such applications.
